We opened our door in 2008
(it was blue, if anyone is asking)
in a small neighborhood spot in St. Paul.
And there the Blucy was born. There were
other Juicy Lucys before, but none celebrated
this Minnesota delicacy quite like the Blucy.

Since then the Blucy has served as a
catalyst to bring other like-minded burger
aficionados together, making the Blue Door
what it is today.

A few more trips around the sun and
four locations later, we continue to spread
the good word of Blucy one stuffed belly
at a time. Welcome. We hope you
brought your appetite!

BLUCY IS A STATE OF MINE.
